

Erfaringer med åpen plattform – kundene gjør valget

Betalingsformidlingskonferansen 2020

Trond Inge Østbye
4. november 2020

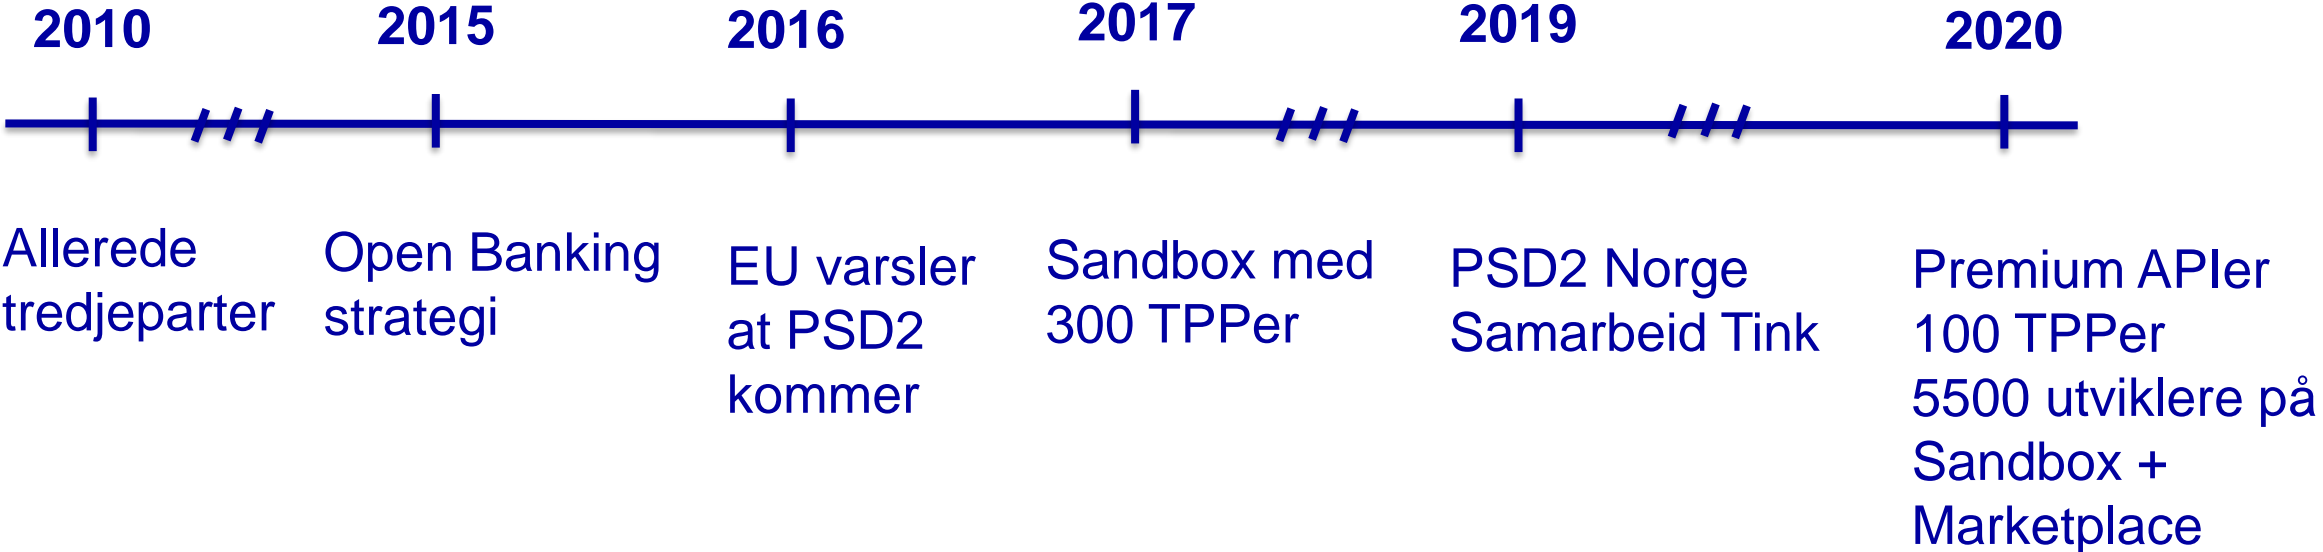

“European consumers will be able to reap the full benefits of paying online for goods and services, thanks to new rules that will make it cheaper, easier and safer to make electronic payments.

[... PSD2...] aims to modernise Europe's payment services to the benefit of both consumers and businesses, so as to keep pace with this rapidly evolving market.”

European Commission Press Release 12 January 2018
